Falling Down

Happyness

How much better
To write in
Looking to the real action
And call my
Love out
Or hold back the reservationBut I'm falling down
Falling down
Falling down
To look you up
But it's you trying to please her that makes it stop
Oh to lose with your base ideals
Mixing in the true light of the hollow fearOh and to be falling down
I'm falling down
I'm falling down
To look you up
To keep in the race try and lose itAttention comes
Sewn thick
To sail in her shady eye
As do I
But I lose it
In the fear
That fills like the room
The fear
And it's a gas I dig to you
All red
Falling down
Falling down
Falling downLook
Fall
Looking up
