Woman Love

Gene Vincent

Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey heyWell I went to my good doctor not so long ago
A walkin' in a circle and moanin' low
He looked at me and said, Good lord above, son
You need a vaccination of a woman loveWell I'm lookin' for a woman with a one track mind
A huggin' and a kissin' and a smoochin' all the time
I'd build her a castle to the moon up above
I sure am a needin' me some woman love, let's rock onceWe'll I'm lookin' for a lovin' gal that needs a lot of care
Not worried about her figure or the color of her hair
The doctor really scared me when he said, good lord above
You sure am a needin' you some woman loveWell I'm tired of walkin' circles, tired of moanin' low
I want my baby with me everywhere I go
I want my lovin' baby to call him turtle dove
I sure am a needin' me some woman love, let's rock againWell I'm tired of walkin' circles, tired of moanin' low
I want my baby with me everywhere I go
I want my lovin' baby to call him turtle dove
I sure am a needin' me some woman loveWoman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
Woman love, hey hey hey hey
