# Stay With Me Baby

## Terry Reid

Stay With Me baby
Where did you go
When things went wrong, baby
Who did you turn to
To find a shoulder to lay your head upon
Oh Baby, wasn't I there
Didn't I take good care of you
Oh no, can't believe, you're leaving meStay with me, baby
Stay with me, baby
Stay with me, baby
I can't go on this wayWho am I to rule the pride
Of someone else's heart, baby
Didn't I give you everything
But in return for a memory
I know I was there
Though I didn't say a thing about taking care of you
So, don't you know, you believe
I need it, T -- (T as in Terry)Yeah, now
Stay with me, baby
Stay with me, baby
Stay with me, baby
I just can't goRemember, you said you were always going to leave
Remember, said you were always going to leave
Remember, remember
I can't help but wanting you, loving youStay with me, baby
I want you to stay with me, baby
Come on please, stay with me, baby
All, all that I need, is getting in there
All I . . . AlrightYeah, come on now
Stay with me, baby
Shake with me, baby
Stay with me, baby
All I need is take
Come on
Why won't you stay
