

Be My Baby

Bette Midler

The night we met I knew I needed you so
And if I had the chance I'd never let you go
So won't you say you love me? I'll make you so proud of me
We'll make 'em turn their heads every place we go So won't you, please? (Be my, be my baby)
Be my little baby (My one and only baby)
Say you'll be my darlin' (Be my, be my baby)
Be my baby now (My one and only baby) whoa oh oh oh I'll make you happy, baby, just wait and see
For every kiss you give me, I'll give you three
Oh, since the day I saw you, I have been waiting for you
You know I will adore you 'til eternity So come on and please (Be my, be my baby)
Won't you be my little baby (My one and only baby)
Say you'll be my darlin' (Be my, be my baby)
Come on be my baby now (My one and only baby) whoa oh oh oh Oh, since the day I saw you, I have been
waiting for you
You know I will adore you 'til eternity So come on and please (Be my, be my baby)
Oh won't you be my little baby (My one and only baby)
Say you'll be my darlin' (Be my, be my baby)
Be my baby now (My one and only baby) whoa oh oh oh (Be my, be my baby)
Be my little baby (My one and only baby)
Say you'll be my darlin' (Be my, be my baby)
Be my baby now (My one and only baby) whoa oh oh oh (Be my, be my baby)
Oh won't you be my little baby (My one and only baby)
Say you'll be my darlin' (Be my, be my baby)
Darlin' be my baby now (My one and only baby) whoa oh oh oh (Be my, be my baby)
(My one and only baby)
(Be my, be my baby)
Be my baby now
