go shawty

Jason Weaver

Boy, you know I'm lovin' what you do
Put your lovin' in my gun, I wanna shoot
You're not the kinda guy that I don't wanna lose
The way you stroke that got me all up under youWatch you go, giddy up, giddy up now
First, you grind it slow, get it, got it
Hit it like a pro, ooh
Make my body explodeGo shawty, go shawty, go shawty, go
Go shawty, go shawty, go shawty, go
Mo' shawty, mo' shawty, mo' shawty, mo'
Tick, boom, explodeI'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'mI'm hopin' what you did ain't a fluke
Caught one but I'm tryna catch two
Now some of these guys ain't got a clue
But you got me like, ooh, oohSo here's a toast, put it up, put it up now
Sip, sip it slow, sizzurp
'Cause after this we'll know
Boy, I'm gone need some more, ohGo shawty, go shawty, go shawty, go
Go shawty, go shawty, go shawty, go
Mo' shawty, mo' shawty, mo' shawty, mo'
Tick, boom, explodeI'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'm
I'm comin', I'm comin', I'm, I'mOoh, that's it boy
Ooh, almost there
Aah, aah, aah, right there, boy
Aah, aah, aah, touch there, boyOoh, keep it goin'
