Shuffle My Feet

Maxeen

and i would like
to tell you waht's true
but what's the point
i can't get to youand i connot get a date
you know me
i'll be ;latei shuffle my feet
to the beat on the city streetand i don't wanna
lay you a line
i haven't had a motor
in quite some timematerials are rubbish
and since i've grown
the less i have
the more i owni shuffle my feet
to the beat on the city streetdon't get in my way
i gotta deadline to meet
don't ask me for change
i barely eat
nothing stops me
once my feet hit the concreteshuffle my feetshuffly my feet to the beat
on the city street
boydon't get in my way
i gotta deadline to meet
don't ask me for change
i barely eat
nothing stops me once my feet
hit the concrete
