

# Shuffle My Feet

Maxeen

and i would like  
to tell you waht's true  
but what's the point  
i can't get to you and i connot get a date  
you know me  
i'll be ;latei shuffle my feet  
to the beat on the city street and i don't wanna  
lay you a line  
i haven't had a motor  
in quite some timematerials are rubbish  
and since i've grown  
the less i have  
the more i owni shuffle my feet  
to the beat on the city street don't get in my way  
i gotta deadline to meet  
don't ask me for change  
i barely eat  
nothing stops me  
once my feet hit the concrete shuffle my feet shuffle my feet to the beat  
on the city street  
boydon't get in my way  
i gotta deadline to meet  
don't ask me for change  
i barely eat  
nothing stops me once my feet  
hit the concrete
