

Dance with Me

Peter Brown

You gotta keep on making me high
You gotta keep on making me high
You gotta keep on making me high
You gotta keep on making me high If you're feeling sad and blue
Come on and dance with me
I can make your dreams come true
Come on and dance with me Ladies, get up off your seats
Come on and dance with me
Gentlemen, get on your feet
Come on and dance with me
Say the word and I'll
Summon the band with my hand
Let your minds and
Your bodies be free
Dance with me You gotta keep on making me high
You gotta keep on making me high If you feel that you
Like what you see
Dance with me You gotta keep dancing
Cause it's making me high
You gotta keep, keep dancing
You gotta keep dancing
Cause it's making me high
You gotta keep, keep dancing
You gotta keep on making me high
You gotta keep on making me high
You gotta keep on making me high
You gotta keep on making me high If you're feeling sad and blue
Come on and dance with me
I can make your dreams come true
Come on and dance with me Say the word and I'll
Summon the band with my hand
Let your minds and
Your bodies be free
Dance with me You gotta keep on making me high
You gotta keep on
You gotta keep on making me high
You gotta keep on Let your minds and
Your bodies be free
Dance with me
