

Eanie Meany

[Jim Noir](#)

If you don't give my football back
I'm gonna get my dad on you
I only kicked it over your fence
And broke a silly gnome or two Eanie meany, run away
Eanie meany, run away If you don't give my football back
I'm gonna get my dad on you
I only kicked it over your fence
And broke a silly gnome or two Eanie meany, run away
Eanie meany, run away Eanie meany, run away
Eanie meany, run away Eanie meany, run away
Eanie, run away
Steal my football, run away
I'll get it back some day Eanie meany, run away
Eanie, run away
Steal my football, run away
I'll get it back some day Eanie meany, run away
Eanie, run away
Steal my football, run away
I'll get it back some day Eanie meany, run away
Eanie, run away
Steal my football, run away
I'll get it back some day
