

# Ugly

Sass Jordan

Some dogs got big eyes  
And some got dirty hair  
And some dogs are the type  
Your Mama said, "Don't care" Dirty is my style  
And I like my oil crude  
You are the ugliest thing I've ever seen  
And I think I love you Far be it from you  
To tell me what to do  
Who I choose to rock my world?  
Ain't up for view Nothin' left is sacred  
So I've changed my point of view  
You're the ugliest thing I've ever seen  
And I think I love you Monkey see and monkey say  
Who tell monkey the way?  
Monkey will if monkey may Come on Monkey see and monkey say  
Who tell monkey the way?  
Monkey will if monkey may Well I don't mind if you don't keep  
You're nose too clean  
I just want to know  
If you're hidin' somethin' I ain't never seen 'Cause nothin' left is sacred  
And I've seen my point of view  
You're the ugliest thing I've ever seen  
And I think I love you Oh, ugly  
Ugly, oh baby  
She is ugly sucker
