

# Your Angel Died

## Immolation

Angel of beauty  
Angel of the spirit  
Come down and walk among us  
Let the spirit die within you  
Shed your ties to God  
Shed your holy grace  
Come down and walk among us  
Be tempted b the fleshDenounce he who keeps you  
Turn away from his light  
Let your eyes feast upon  
The debauchery that awaits  
Indulge in your desires  
Taste the fruits of sin  
Angel of the spirit  
Become one of the fleshI will tempt you  
Child of light  
Show your weakness  
Child of GodRevolted by it's weakness  
So easily corrupted  
Let us plague you with perversion  
You've become what you abhor
