

Think It Over

B.B. King

Lord I wonder, yes I wonder
Do my baby think of me
Oh, I wonder, Lord I wonder
Do my baby think of me
Now I wonder, Lord I wonder
Will my babe come back to me Yes, she been gone so long
Just cant stand it no more
Woah, she been gone so long
Just cant stand it no more
Now I aint got nobody
Have no place to go Yeah, I think when she left me
Yeah, she went to somebody else
Oh, I think when she left me
Yeah, she went to somebody else
Now if she dont come back to me soon
Think Im gonna leave myself
