

Foreign Policy

Megadeth

[originally by Fear]
Eliminate the incompetents
Difference don't exist in harmony!
Survival is superiority!
We don't need no hands across the sea!
We've got...
Foreign policy [3x]
The lines are drawn!
Establish the new order!
Suspect everyone!
Know your enemies!
We've got...
Foreign Policy [3]
Hatred is purity!
Weakness is disease!
Every barrio
is manifest destiny!
We've got...
Foreign Policy [3x]
