Swamp Woman

Swamp Womanâ€“Stranger (1982)

Down south in Alligator Alley, thereâ€™s a chick named Sleazy Sally
She stands about 6 foot 3, that damned woman scares the hell outta me!

Not too lean sheâ€™s kinda green, the meanest woman that I ever seen
She was wild as a crocodile, thatâ€™s why they call her Swamp woman

Big ol' hips and big ol' thighs they even say she got alligator eyes
Down south you can feel the heat, you oughta see the claws on her feet

Not too lean sheâ€™s kinda green, the meanest woman that I ever seen
She was wild as a crocodile, thatâ€™s why they call her Swamp woman

Down south in Alligator Alley, thereâ€™s a chick named Sleazy Sally, (so sleazy)
She try to tell me I was the one, she try to kiss me with her two foot tongue

Not too lean sheâ€™s kinda green, the meanest woman that I ever seen
She was wild as a crocodile, thatâ€™s why they call her Swamp woman
