

Donald Pleasance

Flotation Toy Warning

Came to say how you feel today, how you feel inside
~€€You can't tell me that you know how it feels
~€€When you don't seem to feel at all
~€€You came here today to tell me this, you think I'm stupid?
~€€This is the funeral of our love
~€€I came here only to say goodbye~€€Leonard stop the trains by any certain means
~€€I couldn't bear to board another
~€€She not me was the dealer
~€€With a tiny useless fucking shelter
~€€David pass me the wine, like you I'm "really not fine"
~€€Did I really mean her harm?
~€€I never set foot in the country~€€Donald tell me why pleasance never gets me anywhere, anymore
~€€Was the lovely man from Mars?
~€€I never liked Venus at all~€€This brittle house our love has stained
~€€I've left before and I'll leave again
~€€But your little blue moods drag me in
~€€But I know you won't be bringing me down this time
~€€Growing pains and empty days
~€€Records played and certain shades of blue remind me still of you
~€€But I know you won't be bringing me down this time
~€€You can't tell me that you know how it feels
~€€When you don't seem to feel at all
~€€This is the funeral of our love
~€€I came here only to say goodbye
~€€This is the funeral of our love
~€€I came here only to say goodbye
~€€This is the funeral of our love
~€€I came here only to say goodbye
