Kelly Clarkson

Grew up in a small town  
And when the rain would fall down  
I'd just stare out my window  
Dreamin' of what could be  
And if I'd end up happy  
I would pray Trying hard to reach out  
But when I tried to speak out  
Felt like no one could hear me  
Wanted to belong here  
But something felt so wrong here  
So I pray  
I could breakaway I'll spread my wings, and I'll learn how to fly  
I'll do what it takes till I touch the sky  
And I'll make a wish  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget all the ones that I love  
I'll take a risk  
Take a chance  
Make a change  
And breakaway Want to feel the warm breeze  
Sleep under a palm tree  
Feel the rush of the ocean  
Get on board a fast train  
Travel on a jet plane  
Faraway  
And breakaway I'll spread my wings, and I'll learn how to fly  
I'll do what it takes till I touch the sky  
And I'll make a wish, take a chance, make a change  
And breakaway  
Out of the darkness and into the sun  
I won't forget all the ones that I love  
I gotta take a risk, take a chance, make a change  
And breakaway Buildings with a hundred floors  
Swinging 'round revolv'in' doors  
Maybe I don't know where they take me  
But gotta keep movin' on

Movin' on  
Fly away  
Breakaway I'll spread my wings, and I'll learn how to fly  
Though it's not easy to tell you goodbye  
I gotta take a risk, take a chance, make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget the place I come from  
I gotta take a risk, take a chance, make a change  
And breakaway  
Breakaway  
Breakaway
