Till the Wheels Fall Off

LOCASH

They had their doubts,
said we'd never last.
In this plane we're flying on,
its gonna lose its wings & crash.Let's let them talk,
til the face turns blue
Cause girl, I know deep in my heart,
I'm gonna keep on lovin' you.Till this train, runs off the tracks.
We're so lost, we can't get back.
Till that final chapter is written
and we give it, all we can give it.Till they play our last song, sing along.
Yeah, it's on, my heart stops.
I'm gonna love you, till the wheels fall off.
Till the wheels fall off.The new beginnings are oh, so sweet.
But, I can't wait to look on down the road
and see where we could be.
Baby, you can count on me.Till this train, runs off the tracks.
We're so lost, we can't get back.
Till that final chapter is written
and we give it, all we can give it.Till they play our last song, sing along.
Yeah, it's on, my heart stops.
I'm gonna love you, 'till the wheels fall off.
Till the wheels fall off.Gonna have our ups, gonna have our downs.
Gonna have our ins, gonna have our outs.
Baby, you can count on me.Till this train, runs off the tracks.
We're so lost, we can't get back.
Till that final chapter is written
and we give it, all we can give it.Till they play our last song, sing along.
Yeah, it's on, my heart stops.
I'm gonna love you, till the wheels fall off...Baby, gonna love you, I'm gonna love you
Till the wheels fall off
