

# Promised Land

[SoulChillaz](#)

Badaa loo loo bada badadadlo etc...

I lay my head onto the sand,  
Next to you my dear old friend,  
I reach out and grab your hand,  
Take you to the Promised Land.

I lay my head onto the sand,  
Next to you my dear old friend,  
I reach out and grab your hand,  
Take you to the Promised Land,  
Promised Land...
