

Pendulum

Roman Holiday

I was a child
When I first found you
Too young to do
All I knew that I had to
But I knew the truth
I knew the truth

When you would go
I'd practice my silence
So when you'd come home
It'd keep me from crying
All over you
Cause I knew the truth

You gave what was mine
Away undeserving
You said that you'd tried
But your body had been yearning
For somebody knew
But I knew the truth

My heart's doing fine
It beats how it needs to
And I swear I aint dying
It just hurts me to see you
Feeling so blue
Cause you know the truth
