## Hiroshima

i look at your picture  
and i smile 'cause i will see you soon  
i look in the mirror at a face that's painted with gloom  
sometimes it's hard to chase away the clouds.  
when this world has got you down  
but i know you 'll make it better and that's why to your apartment i 'll run

311

the top of the stairs  
i love the crazy things that we do

311

i want to be there  
forget about my troubles with you  
your place is a playground  
where we can turn back the hands of time  
and we bcome children  
we're so free, not a care on our mind  
when life's gettingn rough.  
i know just where to go  
to make things all right again 'cause  
i know you 'll make it happen  
through this door where all the magic begins

311

the top of the stairs  
i love the crazy things that we do

311

i want to be there  
for get about my troubles with you  
i know that when i climb the stairs  
your love is waiting there  
and all the things that  
bother me  
will soon disappear

311

the top of the stairs  
i love the crazy things we do

311

i want to be there fotget about my troubles with you  
i know that when i climb the stairs  
your love is waiting there and what i feel inside your arms

nothing can compare

311

the top of the stairs i love the crazy things we do

311

i want to be there forget about my troubles with you.
