

Accidently Kelly Street (2014 Remaster)

Frente!

Here's a door and here's a window
Here's a ceiling here's a floor
The room is lit like a black and white movie
The TV's on that's what it's for And if you walk real slowly
You can hear the planet breathe
There's no need to feel so lonely
Now that we've all learned to give Accidently Kelly Street
Where friends and strangers sometimes meet
Accidently Kelly Street
I never thought life could be so sweet In the garden birds are singing
The sun is shining on the path
The wind is talking to the flowers
And dogs and cat all take a bath And if you stop that talking
You could hear the traffic sigh
Throw away those keys start walking
And watch those tiny things go by Accidently Kelly Street
Where friends and strangers sometimes meet
Accidently Kelly Street
I never thought life could be so sweet It's Sunday everyday and
There's no need to rush around
Inside of everybody
There's sun and laughter to be found It seems that we're on holidays
And sleeping in is not a sin
All the house work done by tea time
I'm feeling good about the way I've been Perhaps this optimism will crash on down
Like a house of cards
I know that my decision to change my life
Was not that hard Accidently Kelly Street
Where friends and strangers sometimes meet
Accidently Kelly Street
I never thought life could be so sweet
