

Can You Feel The Love Tonight

Michael Ball

There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment and it sees me through
It's enough for this restless warrior just to be with you Can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we've got this far Can you feel the love tonight?
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best There's a time for everyone if they only learn
That the twisting kaleidoscope moves us all in turn
And there's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours Can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we've got this far, oh Can you feel the love tonight?
How it's laid to rest, oh
It's enough to make kings and vagabonds
Believe the very best
It's enough to make kings and vagabonds
Believe the very best Can you feel the love tonight?
Can you feel the love tonight?
Oh, can you feel the love tonight?
Can you feel it? Can you feel it? Yeah, yeah Oh, it is where we are
It's where we are
