

# "C" Moon Cry Like a Baby

## Simple Minds

Cry, cry, cry  
Cry like a baby

Outside it's hot, the first of July  
And the look in your eye said, "Something is missing."  
Midnight she cried like a baby  
Come on, come on, come on  
Cried like a baby Can this be something we can't understand?  
Could it be the girl can't understand?  
Where will we go  
Up high under low The devil I know said, "Something is missing."  
Sweet lil' angels sing 'bout the fast pace of things  
But earth children sing, "Love will conquer anything."  
Midnight she cried like a baby Come on, come on, come on  
Cried like a baby  
Could it be we can't understand?  
Can it be we can't... Cry, cry, cry, cry like a ...  
Midnight ...  
Cry like a ...  
Whisper, scream like a baby Ahh, cry, cry like a baby  
Could this be something we can't understand?  
Cry like a baby  
Cry like a baby Could this something the girl can't understand [understand]?  
Could this be something ...
