

# Clap Your Hands

IMx

All the ladies wearing strings, clap your hands  
And if you wanna get naughty clap your hands  
So all the fellas put in work and the ladies make it twurk  
If you came to get it crunk, clap your handsIt's eleven o'clock and you're already out  
Gotta get your crew together and all go out  
There's a party somewhere that goes all night  
And VIP is gonna be there so you gotta look tightThere's gonna be sexy Chicanas and Americans  
Even some from China and some from Japan  
You know the party is jumpin' and the beat is bumpin'
