LA Calling (The Golden Boy Remix)

Crystal Fighters

Love this place but I gotta keep moving
You got the best thing right now it's no illusion
It's time for fun, love's so new and young
Time has come for new movementsAnd we'll be singing this song when you're out
Everything will be better when you come out
Out of it, come out of there
Yeah everyone wants you out hereHigh all morning, ride all night
LA calling, bathed in sunlight
Cold as cash is, hot as lust is
I don't want them
I want you, I want you.I thought it was all gonna end
I didn't want it to end
cos i was feeling on top
I was feeling on top of the world
Thinking about you girlAnd we'll be singing this song when you're out
Everything will be better when you come out
Out of it, come out of there
Yeah everyone wants you out herehigh all morning, ride all night
LA calling, bathed in sunlight
cold as cash is, hot as lust is
I don't want themHigh all morning, ride all night
LA calling, bathed in sunlight
Cold as cash is, hot as lust is
I know where my heart is
I want you, I want you, I want you.I thought it was all gonna end
I didn't want it to end
Cos we're feeling on top,
We're feeling on top of the game
From now on it's never gonna be the sameEverywhere
Everyone gather round the world
And give thanks we're of the world
Everywhere
Everyone gather round the world
And give thanks we're of the world
