

# Mama Mia

## Jesse G

Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Yeah  
She's got the touch I love so much  
That's all I ever wanted, I'm so God blessed  
Under her spell she had me crushed  
I sworn I was anointed  
Got caught by her magic  
She had me droolin' for a while  
With her sexual motion  
Like takin' candy from a child  
Suck on her love potion  
I can't believe the changes i've made  
Since I've met my baby, you know  
She drives me crazy, on and on  
What a beautiful lady, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes  
She goes, on and on, ooh, yeah  
Like a volcano she erupt  
Blowin' up my pager  
Every minute every hour  
Woo, oh, woo  
I realize she likes my stuff  
I chose erotic flavors  
This moment I will savor  
Lord, I never trust that pretty smile  
'Cuz looks are deceivin'  
Sexy walk mighty profound  
So pretty girls are misleadin'  
Lesson learned don't judge a book  
By lookin' at its cover, you know  
She drives me crazy, on and on  
What a beautiful lady, on and on  
She drives me crazy, on and on  
And there's no ifs no maybes  
She goes, on and on  
She drives me crazy, on and on  
What a beautiful lady, on and on

She drives me crazy, on and on  
And there's no ifs no maybes, on and on, oh  
    My life my time and my all  
    I've dedicated to her  
    That's the life she wanted  
Woo, yeah, I'm saying this I never start  
    'Cuz she is my dream maker  
    And now we're gonna flaunt it  
Thank God I'm stuck with her for life  
    She's having my shorty  
    The perfect girl for my wife  
    Just my baby's mommy  
    Girls flaunt their best desires  
But there was always something missing, ooh  
    She drives me crazy, on and on  
    What a beautiful lady  
    She goes, on and on  
    She drives me crazy, on and on  
And there's no ifs no maybes, on and on  
    She drives me crazy, on and on  
    What a beautiful lady, on and on  
    She drives me crazy, on and on  
And there's no ifs no maybes, on and on
