

# Thank God

## Mindless Self Indulgence

In the twilight of my life  
I don't need no grammys  
Rock my gay acceptance speech  
Most of all I'd like to..Thank god  
For programming my beats  
I'd like to thank god  
for making me hard like I'm from the streets  
God wrote all my dopest rhymes  
Especially those ones about shooting niggaz and  
getting fucking highJesus H Muthafuckin boom boom Christ  
I been doin dis fo money and fo sex all nite  
Its the song that be gettin me erect ai-aight  
The scenario is scary yo its fukkin up your stereoIn the twilight of my life  
I don't need no grammys  
Rock my gay acceptance speech  
Most of all I'd like to..Thank god  
For programming my beats  
I'd like to thank god  
for making me hard like I'm from the streets  
God wrote all my dopest rhymes  
Especially the ones about dealing drugs and  
rolling  
with my thugsJesus H Muthafuckin boom boom Christ  
I been doin dis fo money and fo sex all nite  
Its the song that be gettin me erect ai-aight  
The scenario is scary yo its fukkin up your stereoIn the twilight of my life  
I don't need no grammys  
Rock my gay acceptance speech  
Most of all I'd like to..Thank god  
For programming my beats  
I'd like to thank god  
for making me hard like I'm from the streets  
God wrote all my dopest rhymes  
Especially the ones about shootin niggaz and gettin  
fucking stupid
