# Blue (I'm Yours)

## Aashna Nanda

i dream of you every night.
i am a victim, to your soul,
iâ€™m a victim to your soul,
my heart invested so deep,
numbing my veins until i am fully weak.
you are all i see,
you make up all of the faces ahead of me.
suddenly i have fallen on my knees.
as youâ€™re running on my mind,
and all throughout my dreams.
i pray for the day,
weâ€™ll get a second chance to speak.
as we could grow our own garden i believe.
wrap ourselves in the sun,
and create a world where we have no fears to run from.
i melt at the thought of your touch.
and i dream of,
you and i, can we reunite? you and i, i dream of you.
i dream of you and i.
baby, hold me in your arms,
we can look up at the pale blue sky.
hold me in your arms,
press your lips against mine.
am i obsessive?
am i?
cuz i dream of you every night.
