I Finally Found Someone

Bryan Adams

I finally found someone
That knocks me off my feet
I finally found the one
That makes me feel complete
It started over coffee
We stated out as friends
It's funny how from simple things
The best things begin
This time is different
And it's all because of you
It's better than it's ever been
'Cause we can talk it though
My favorite line was
"Can I call you sometime?"
It's all you had to say
To take my breath away
This is it
Oh, I finally found someone
Someone to share my life
I finally found the one
To be with every night
'Cause whatever I do
It's just got to be you
My life has just begun
I finally found someone
Did I keep you waiting?
I didn't mind
I apologize, baby that's fine
I would wait forever just to know you were mine
You know I love your hair
Are you sure it looks right?
I love what you wear
Isn't it too tight?
You're exceptional
I can't wait for the rest of my life
This is it
Oh, I finally found someone
Someone to share my life
I finally found the one

To be with every night
'Cause whatever I do
It's just got to be you
My life has just begun
I finally found someone
And whatever I do
It's just got to be you
My life has just begun
I finally found someone
