Believe In Love

Teddy Pendergrass

Oh love I've waited all my life to find you
I've searched for you in every dream
And suddenly you reached out to me
Oh love I remember when I first touched you
I remember how my heart had wings
To said upon
Tell me what went wrongOh love when you were just within my reach
I was blind, to find my dreams of being free
Oh love it's not too late for you and me
There's still time, as long as we believe
Believe in loveI thought that I could live without you
I really thought that I was strong
But now you're gone
I'm not half as strong
Oh love I never knew how much I missed you
I never knew I had to give to you
To keep you near
Now I need you hereOh love when you were just within my reach
I was blind, to find my dreams of being free
Oh love it's not too late for you and me
There's still time, as long as we believe believe
Believe in love
