Country Mile

Johnny Flynn

I've walked in the fields, and Iâ€™ve trod light for days
Seems Iâ€™ll do that old rag, takes me all kinds of ways
Except the way Iâ€™d be headed if I knew where I was going
But Iâ€™m from the country, and itâ€™s better not knowing

And Iâ€™ve only got so near (Illuminate me)
And Iâ€™ve only gone so far (Illuminate me)
And Iâ€™ll walk another country mile
Iâ€™ll see another star

The poplars, and willows, and birds pass me by
The mould of the earth to the space in the sky
Free from my roots and Iâ€™m lost in the wind
Wind on the mountain, and the mountainâ€™s my friend

And Iâ€™ve only got so near (Illuminate me)
And Iâ€™ve only gone so far (Illuminate me)
And Iâ€™ll walk another country mile
Iâ€™ll see another star

Hemlock and yew have me toeing the line
Questions come knocking, Iâ€™ll answer in time
But the seams of the soil unravel with ease
Nose to the road and Iâ€™m painfully free

And Iâ€™ve only got so near (Illuminate me)
And Iâ€™ve only gone so far (Illuminate me)
And Iâ€™ll walk another country mile
Iâ€™ll see another star

Call me the wind in the hole
Blowing my way to the call
Iâ€™ll dust up the days 'til Iâ€™ve gone every way
No less and Iâ€™ve never wanted more, more, more

Lost on the bough in a golden refrain
Sleep goes away and the day comes again
But the rain on my cap has me chasing a roof
Iâ€™ll be this young choice 'til Iâ€™m long in the tooth

And Iâ€™ve only got so near (Illuminate me)
And Iâ€™ve only gone so far (Illuminate me)
And Iâ€™ll walk another country mile
Iâ€™ll see another star

And Iâ€™ve only got so near (Illuminate me)
And Iâ€™ve only gone so far (Illuminate me)
And Iâ€™ll walk another country mile
Iâ€™ll see another star

Illuminate me
Illuminate me
