

Love Is Pain

Girls Aloud

What you are
What you see
It don't matter to me
It don't matter to me
What you know
What you need
It don't matter to me
Just be faithful to me When you kno-o-ow
Turning cold
When you kno-o-ow
Turning cold (turning cold, turning cold) First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold
First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold
First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold
First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold What you say
What you mean
It don't matter to me
It don't matter to me
What you want
What you dream
It don't matter to me
Just be faithful to me When you kno-o-ow
Turning cold
When you kno-o-ow
Turning cold (turning cold, turning cold) First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold

First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold
First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold
First I saw the letter
Heard your secret code
Tellin' you walk away
What a waste, it's turning cold[Chorus:Repeat x4]

Love is pain
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
You're insane
Oh, oh, oh, oh
Feel like I wipe you Love is pain
Oh, oh, oh, oh
