

Hello

Toby Keith

I was hangin' out in Mexico, I had a beach front bungalow
I know I should have gone home but I was doin' that Caribbean thing
I was listenin' to a Spanish guitar, drinkin' Margarita's under the stars
With a pretty senorita when the telephone started to ring, guess whoHello, honey, I was just about to
Hello, baby, I was gettin' ready
Hello, I know I should have called sooner
Oh, no, noHello, if you give me just a minute
Hello, don't you hang up till I'm finished
Hello, you're the only one I've ever, you know
HelloWell, there was silence at the end of the line
I thought I'd give her till a quarter of nine
I forgot to call her back
And the party was a-rollin' at tenSee, I was workin' on Tequila and lime
I guess I never even noticed the time
I was dancin' the Iguana when the phone started ringin' again
And you know whoHello, honey, I was just about to
Hello, baby, I was gettin' ready
Hello, I know I should have called sooner
Oh, no, noHello, if you give me just a minute
Hello, don't you hang up till I'm finished
Hello, you're the only one I've ever, you know
HelloHello, honey, I was just about to
Hello, baby, I was gettin' ready
Hello, I know I should have called sooner
Oh, no, noHello, if you give me just a minute
Hello, don't you hang up till I'm finished
Hello, you're the only one I've ever, you know
Hello, hello, helloHello, honey, I was just about to
Hello, baby, I was gettin' ready
Hello, don't you hang up till I'm finished
