Re-Fused

Refused

We had our times, we had our fun
We had a friendship that couldn't be undone
In those times we had a goal
Working together with straight and positive soulsWe were like one, yeah you and me
As close as friend could ever be
But times do change and so did you
And there wasn't a thing that I could doWatched it all fade away
I guess, I'm happy it's gone this way
I could have struggled
But what would have been the use?
Now I'm back and I'm re-fusedI don't get it, I'll never see
Was your change natural or was it just in me?
'Cause when I see you, you walk right by
Without noticing me or saying "Hi"
