## Radiobaghdad

How many times have you said  
If I just had one more  
Dollar in my pocket  
Know that I've felt the same  
How many times have you dreamed  
That you could pack up and leave  
Just run away from the trouble  
Baby, I can't complain  
'Cause I don't always get everything I wanted  
Doesn't turn out just the way I thought it all should be  
Baby, I can't complain  
No more wasting my time looking in the mirror  
Wishing my life was a little bit clearer, no way  
Baby, I can't complain  
No way, no way, no way  
Baby, I can't complain  
Have you ever believed  
That it's just not your day  
Like the world is against you  
You know we've all felt that way  
So far away from my home  
And everything that I love  
But as long as I'm breathing  
Baby, I can't complain  
'Cause I don't always get everything I wanted  
Doesn't turn out just the way I thought it all should be  
Baby, I can't complain  
No more wasting my time looking in the mirror  
Wishing my life was a little bit clearer, no way  
Baby, I can't complain  
No way, no way, no way  
Baby, I can't complain  
No way, no way, no way  
Any time, any minute now  
We could fall, it could all crash down  
But I'm not gonna ever live that way, no way  
'Cause I don't always get everything I wanted  
Doesn't turn out just the way I thought it all should be  
Baby, I can't complain

No more wasting my time looking in the mirror  
Wishing my life was a little bit clearer, no way  
Baby, I can't complain  
No way, no way, no way  
Baby, I can't complain  
No way, no way, no way  
Baby, I can't complain
