

# Don't Wait up for Me

Ricky Koole

Boy, I got your number  
That doesn't mean I have to call you  
Get yourself together  
'Cause I don't need you like you want me toGotta loosen up  
Drain the cup  
It's time to tear it upWell, I got one shot and the night is young  
So don't wait up for me  
I need another hit before I'm done  
So don't wait up for meBoy, don't try to slow me down  
You're not the only one that's on my mind  
Got enough to go around  
If you can't take it, you'll be left behindGotta loosen up  
Drain the cup  
It's time to tear it upWell, I got one shot and the night is young  
So don't wait up for me  
I need another hit before I'm done  
So don't wait up for meThere's no telling where I'm gonna show up  
Nobody knows how the night will end  
There's no telling when I'm gonna wake up  
Well, when I do, I'll do it all again, yeahGotta loosen up  
(Loosen up)  
Drain the cup  
(Drain the cup)  
It's time to tear it up  
Now let me tell you what I gotWell, I got one shot and the night is young  
So don't wait up for me  
I need another hit before I'm done  
So don't wait up for meWell, I got one shot and the night is young  
So don't wait up for me  
I need another hit before I'm done  
So don't wait up for meOne shot, the night is young  
So don't wait up for me  
I need another hit before I'm done  
So don't wait up for me
