

Baby, What A Big Surprise

Peter Cetera

Right before my very eyes
I thought that you were only fakin' it
And like before my heart was takin' it
Baby, what a big surprise
Right before my very eyes
Yesterday, it seemed to me
My life was nothing more than wasted time
But here today you've softly changed my mind
Baby, what a big surprise
Right before my very eyes
Baby, what a big surprise
Just to be alone
Was a little more than I could take
Then you came to stay
Hold me in the morning
Love me in the afternoon
Help me find my way
Baby, what a big surprise
Right before my very eyes
Baby, what a big surprise
Baby, what a big surprise
Right before my very eyes
Baby, what a big surprise
