

Ugly (UK single)

Violent Femmes

Crossed the path then I followed your face
It was hard to believe
It was hard to trace
I saw you today
Seems like I see you everyday

But there's something I figured out 'bout you
Oh oh oh oh oh yeah
So ugly
I'm tellin' you strait
So ugly
Don't make a mistake

Cause your ugly
You could bet it on the bank
Say why why
Why would I lie to you
Why would I lie
Why would I lie

Your so ugly
All the time
Ugly
You ain't no friend of mine

Cause your ugly
You could bet it on the bank
Say why why
Why would I lie to you
Why would I lie
Why would I lie

When you smile or a frown
I'm so tired of you being around
Engaged in some sexual acts
We'll I'm just gonna have to tell you all the facts

What could that be about,
Well here's a clue
Oh oh oh oh oh yeah

So ugly
I'm tellin' you strait
So ugly
Don't make a mistake
Cause your ugly
I'm tellin' you that

I say why why
Why would I lie to you
Why would I lie
Why would I lie
Your so ugly

All the time
Ugly
You ain't no friend of mine
Ugly
You could bet it on the bank
Say why why
Why would I lie to you
Why would I lie
Why would I lie
Your so ugly

So ugly
