

That's Not Cool

Travie McCoy

This It What It Sounds Like When Your Dreams,
Get Pushed Over And Thrown Away (They Get Thrown Away)
They Say That's Not Right
Thats Not Okay
That's Not Cool
That's Not Cool.. Yeah This Is What It Sounds Like,
When Your Life Gets Pushed Over
And You Go A Stray,
Yes You Go A Stray
But They Say That's Not Right
That's Not Okay, T
Hey Say That's Not Cool (They Say That's Not Cool) So What Are You Doing?
What Do You Strive For?
Why Are You Doing This Work, Everyday?
Who Would You Die For?
When They Say That's Not Right,
That's Not Okay,
That's Not Cool,
That's Not Cool (The Worry, The Worry) This Is What It Sounds Like
When Your Friends Lose Interest And They Go Away
Yes They Go Away, And You Don't Think That It's Right
You Don't Think That It's Okay
That's Not Cool. Yeah This Is What It Sounds Like
When Your Girlfriend Moves Out
And She Goes Away, She Doesn't Wanna Stay
And You Know It's Not Right,
And You Know It's Not Okay.
You Know It's Not Cool. So What Are You Doing?
What Do You Strive For?
Why Are You Doing This Work Everyday
Who Would You Die For?
And They Say That's Not Right,
That's Not Okay,
That's Not Cool (The Worry The Worry)
