

# There Is a Mountain

Donovan

The lock upon my garden gate's a snail, that's what it is

The lock upon my garden gate's a snail, that's what it is

First there is a mountain, then there is no mountain, then there is

First there is a mountain, then there is no mountain, then there is  
The caterpillar sheds his skin to find a butterfly  
within

Caterpillar sheds his skin to find a butterfly within

First there is a mountain, then there is no mountain, then there is

First there is a mountain, then there is no mountain  
Oh Wanita, oh Wanita, oh Wanita, I call your name

Oh, the snow will be a blinding sight to see as it lies on yonder hillside  
The lock upon my garden gate's a snail,  
that's what it is

The lock upon my garden gate's a snail, that's what it is

Caterpillar sheds his skin to find a butterfly within

Caterpillar sheds his skin to find a butterfly within  
First there is a mountain, then there is no mountain, then there  
is

First there is a mountain, then there is no mountain, then there is

First there is a mountain, then there is no mountain, then there is
