You're Killing Me

Pavement

You're killing me
You're killing me again
It's not my fault
It's not my fault againThere's a sign, a sign
A sign on the door
You're killing me
You're killing me againYou're killing me
You're killing me again
It's not my fault
It's not my fault againThere's a line, a line
A line for the whore
You're killing me
You're killing me again
