

Rain

Savoy

Rain, rain falls down, empty streets
And I'm falling through the trees
And they're calling out for rain, rainRain and it's plain to see
Rain, what it does to meYeah, rain, rain pours down endlessly
Here I'm falling through the trees
And they're calling out for rain, rainWhat is rain, rain is rain
Rain is God's own lydocaine
Rain is good that's understood
Rain
