Again Tonight

John Mellencamp

Run in circles again tonight
Hump the moon again tonight
Gonna wear my dancin' shoes out tonight
Gonna have myself a big time, again tonightAgain tonight
(Again tonight)
Again tonight
(Again tonight)Again tonight
(Again tonight)
Again tonight, heyGirl's got lightning underneath her skirt
Boys try to touch it for whatever it's worth
In the morning she's just gonna be hurt
She wonders is it worth it, again tonightAgain tonight
(Again tonight)
Again tonight alright
Again tonightGonna catch that cloud tonight
Nine, cloud nine
Gonna try and catch that cloud tonight
Nine, cloud nine, again tonightCan you hold me baby again tonight?
Can you sing?
Can you dance, baby?
Can you sing?Can you hold me again tonight?
(Again tonight)
Baby, can you sing?
(Again tonight)Go ego trip'n again tonight
Tell the same lies, they work all right
Gonna wear my dancin' shoes out tonight
Probably make a fool of myself again tonightAgain tonight
(Again tonight)
Again tonight
(Alright, alright)Again tonight
(Again tonight)
Again tonight
(Again tonight)Again tonight
(Alright, alright)
Again tonightAgain tonight
(Again tonight)
Again tonight
