

Julie

[Cher](#)

She lives life with hungry ears
Well that's like Julie borned in the air
Riding away on the horses that run through my life
You think I'm fun just watching the game
But Julie you're messing with a naked flame
I'm a dangerous rain that wash all your lies away

Well I never, Julie you're the shape of sin
But I can strut boy, when the line dance begins
So cool it Julie or I'm gonna do you in

Julie, Julie why do you taunt me
Julie, Julie you're lying
Julie, Julie Why do you haunt me
Julie, oh Julie you lying bitch

Well you think I'm just flying
With strings of a kite
But Julie I hope you're not for oblige
I'm flying higher
And I am the one holding the knife
He's all that I got and he's all that I want
Well Julie for the last time enough is enough
Take it from me you'll meet no meaner woman, no

Julie, Julie why do you taunt me
Julie, Julie you're lying
Julie, Julie Why do you haunt me
Julie, oh Julie you lying bitch

Julie, Julie why do you taunt me
Julie, Julie you're lying
Julie, Julie Why do you haunt me
Julie, oh Julie you lying bitch
