

# Majesty (feat. Sofia Jernberg)

David Ã hlÃ©n

I watch Him leave  
the garden of Eden

The birds nest

He'll be revealed  
In Galilee  
He'll be revealed

I watch the people  
Of this world  
Shaking, trembling

They hide in caves  
In holes of the rocks

All terrified

He arises to shake  
The earth  
Will shake

Majesty
