

# Find My Way (feat. Freddy Cricien)

## Terror

My friends are dying  
They're struck down by disease  
A family built on lies  
None of them even know me  
Through the crowds I walk  
But still I'm left alone  
So I'll push on, with all I've got  
It's all I've ever known  
Don't tell me that I'll be okay  
Can't trust in anything  
I'll survive, I've got my heart  
I'll find my way  
For everything I gave  
I've got nothing to show  
Feeling lost and out of place  
Is all I've ever known  
Don't tell me that I'll be okay  
Can't trust in anything  
I'll survive, I've got heart  
I'll find my way  
I'll find my way  
Give me the strength  
Yeah I'll find my way  
You think that is all I can take  
My way  
I'll find my way  
My way  
I'll find my way  
My way
