

# The Shit Fuck Man

## Blue Meanies

My head is in the sink, and my face has rhythm,  
(The shit fuck man.)  
'Cause I'm so dry in this position.  
The wall is rearranged, and the dog has mange now,  
And I can't figure out what I'm trying to say. My head so loud,  
As the drip goes down.  
And I forgot that the,  
World's going around. The plunger, it is staring, at my behind,  
(The shit fuck man.)  
The tub it is looking mighty fine.  
My head so loud, as the drip goes down,  
And I forgot that the world's going around. My head so loud,  
As the drip goes down.  
And I forgot that the,  
World's going around.  
My head so loud,  
As the drip goes down.  
And I forgot that the,  
World's going around. Ladies and gentlemen, freaks and maggots, boys and girls,  
And faggots and shaggots of all size.  
With ease on the flying trapeze,  
And the man with three heads. Ladies and gentlemen,  
Welcome to the big show! World goes round. World's going round, the world's going round,  
Somebody told me that the world's going round.  
World's going round, the world's going round,  
Somebody told me that the world's going round.  
World's going round, the world's going round,  
Somebody told me that the world's going round.  
World's going round, the world's going round,  
Somebody told me that the world's going round.
