Superman

Ra

Thank you God
For this great opportunity
To share with You exactly how I feelI'm not well
And I think that I should tell You
That I think I got the raw end of the dealDon't get me wrong
'Cause it's not like I blame You
But sometimes things get crazy on their ownI'm ashamed
Of the way I point my finger
'Cause deep down I have reaped what I have sownLife is hard
But so is everything
Give my regards to a man who caresIf I succeed
I will save my fellow man
And if I fail I'll just stand and stareSuch is life, Lord
And I know that you're aware
That You're a drug to me
A drug within my fearBut, I love You
A junkie to Your silence
A wise man who's words, I'll never hearWhat to do
I feel as if I'm floating
Not aware or in control of what I amGod bless me
Take me out of this existence
End my role as the sacrificial lambLife is hard
But so is everything
Give my regards to a man who caresIf I succeed
I will save my fellow man
And if I fail I'll just stand and stareI'll just stand and stareLife is hard
But so is everything
Give my regards to a man who caresIf I succeed
I will save my fellow man
And if I fail I'll just stand and stareLife is hard
But so is everything
Give my regards to a man who caresIf I succeed
I will save my fellow man
And if I fail I'll just stand and stareI'll just stand and stare
