'good morning'
When I wake up
The first thing I say to youGood morning
You
Pour the coffee and
Turn on the radioGood morning
I look at the mirror and
I am a bit fed upGood morning
Please don't talk to me
For a whileGood morning
You
Read the paper
VacantlyGood morning
Today it seems like rain
I must be going already'good morning'
When I wake up
The first thing I say to youGood morning
I hope today

Will be a happy day for us
