Lifening

Snow Patrol

A hand upon my forehead
A joke and then a laugh
Waking up in your arms
A place to call my ownThis is all I ever wanted from life
This is all I ever wanted from life
This is all I ever wanted from lifeIreland in the World Cup
Either North or South
The fan club on the jukebox
The birds and yes the beesThis is all I ever wanted from life
This is all I ever wanted from life
This is all I ever wanted from lifeWords of reassurance
But only if they're true
Just some simple kindness
No vengeance from the GodsThis is all I ever wanted from life
This is all I ever wanted from life
This is all I ever wanted from lifeTo share what I've been given
Some kids eventually
And be for them what I've had
A father like my dadThis is all I ever wanted from life
This is all I ever wanted from life
This is all I ever wanted from lifeThis is all I ever wanted from life
This is all I ever wanted from life
This is all I ever wanted from life
